Hi **Phạm Hoàng Anh** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: PhmHongAnh493908

Password: vmnxywgr

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Đỗ Thị Lan Anh** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: ThLanAnh12

Password: dawpkabx

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Lê Ngọc Minh Anh** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: LNgcMinhAn4

Password: mcraCWCS

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Võ Thị Ngọc Anh** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: VThNgcAnh17

Password: vpggtpvq

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Đỗ Thị Ngọc Ánh** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: ThNgcnh10

Password: fxgufwtv

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Lê Đình Chung** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: LnhChung2

Password: mqxxezcv

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Vũ Quốc Công** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: VQucCng10

Password: exdfztxn

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Mai Tiến Dũng** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: MaiTinDng12

Password: qqqbutfa

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Nguyễn Hoàng Hải** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: NguynHongH262156

Password: wddvgvjz

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Mai Kim Hoa** your class is going to use Duolingo at school.
These are the instructions to get setup!

Username: MaiKimHoa1

Password: pdtpfzdx

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Phạm Thị Hoài** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: PhmThHoi6

Password: vzvffmxm

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Trần Minh Hoàng** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: TrnMinhHon615981

Password: cupxzgua

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Nguyễn Thị Kim Huệ** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: NguynThKim388917

Password: vdyqeujj

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Bùi Văn Hùng** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: BiVnHng16

Password: jzqyxgbb

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **HỒ Thị Thanh Huyền** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: HThThanhHu9

Password: dufvqjgp

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Phan Thị Mai Hương** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: PhanThMaiH1

Password: xvdcgqzr

If you are on a computer:

1. Go to www.duolingo.com
