2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Châu Trần Bảo Anh** your class is going to use Duolingo at school.

These are the instructions to get setup!

**Username:** ChuTrnBoAn

**Password:** dcbdbnsn

### If you are on a computer:

1. Go to [www.duolingo.com](http://www.duolingo.com)
2. Click **Login**
3. Type in your username and password and click **Login**.

### If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Hoàng Quốc Bảo** your class is going to use Duolingo at school.

These are the instructions to get setup!

**Username:** HongQucBo5

**Password:** dkwxpgmv

### If you are on a computer:

1. Go to [www.duolingo.com](http://www.duolingo.com)
2. Click **Login**
3. Type in your username and password and click **Login**.

### If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Nguyễn Quốc Bảo** your class is going to use Duolingo at school.

These are the instructions to get setup!

**Username:** NguynQucBo375163

**Password:** waptxdzq

### If you are on a computer:

1. Go to [www.duolingo.com](http://www.duolingo.com)
2. Click **Login**
3. Type in your username and password and click **Login**.

### If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Lê Anh Bắc** your class is going to use Duolingo at school.  
These are the instructions to get setup!

**Username:** LAnhBc

**Password:** cnxrkqvc

### If you are on a computer:

1. Go to [www.duolingo.com](http://www.duolingo.com)
2. Click **Login**
3. Type in your username and password and click **Login**.

### If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Đỗ Lương Bằng** your class is going to use Duolingo at school.

These are the instructions to get setup!

**Username:** LngBng7

**Password:** gdnpnzzx

### If you are on a computer:

1. Go to [www.duolingo.com](http://www.duolingo.com)
2. Click **Login**
3. Type in your username and password and click **Login**.

### If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Phạm Mạnh Cường** your class is going to use Duolingo at school.

These are the instructions to get setup!

**Username:** PhmMnhCng16

**Password:** unqnqzdj

### If you are on a computer:

1. Go to [www.duolingo.com](http://www.duolingo.com)
2. Click **Login**
3. Type in your username and password and click **Login**.

### If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Lê Thọ Quốc Cường** your class is going to use Duolingo at school.

These are the instructions to get setup!

**Username:** LThQucCng

**Password:** dtxdwxyx

### If you are on a computer:

1. Go to [www.duolingo.com](http://www.duolingo.com)
2. Click **Login**
3. Type in your username and password and click **Login**.

### If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Thân Thùy Dung** your class is going to use Duolingo at school.

These are the instructions to get setup!

**Username:** ThnThyDung1

**Password:** udwpcaub

### If you are on a computer:

1. Go to [www.duolingo.com](http://www.duolingo.com)
2. Click **Login**
3. Type in your username and password and click **Login**.

### If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Trần Quốc Duy** your class is going to use Duolingo at school.

These are the instructions to get setup!

**Username:** TrnQucDuy9

**Password:** vhwcyguj

### If you are on a computer:

1. Go to [www.duolingo.com](http://www.duolingo.com)
2. Click **Login**
