Hi **Nguyễn Minh An** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: NguynMinhA660781

Password: qyqhevdy

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Mai Nguyễn Duy Anh** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: MaiNguynDu1

Password: mbxxbhjb

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Nguyễn Phùng Duy Anh** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: NguynPhngD751761

Password: urujwhyx

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Lê Văn Tuấn Anh** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: LVnTunAnh3

Password: xjuvvuyk

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Nguyễn Việt Anh** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: NguynVitAn282087

Password: mzfmgczs

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Nguyễn Ngọc Thị Kiều Duyên** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: NguynNgcTh373321

Password: bqjqugvg

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Nguyễn Đình Dương** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: NguynnhDng254596

Password: cqvzgf wz

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Vũ Thành Đạt** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: VThnht974476

Password: jfvqzjwb

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Tô Minh Đức** your class is going to use Duolingo at school.
These are the instructions to get setup!

Username: TMinhc10

Password: rnrtznyj

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Nguyễn Thị Quỳnh Giang** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: NguynThQun283406

Password: ptdwcjux

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Đặng Hoàng Hiếu Hạnh** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: ngHongHiuH

Password: xztjcxqx

If you are on a computer:

1. Go to www.duolingo.com

3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Tôn Thất Trung Hiếu** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: TnThtTrung

Password: ddcyjbph

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Võ Nguyễn Hữu Hoàng** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: VNguynHuHo1

Password: cpzskbkb

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Nguyễn Quốc Huy** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: NguynQucHu758356

Password: tdshrupj

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Nguyễn Hưng** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: NguynHng59072

Password: vamfxprg

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Nguyễn Hà Quỳnh Hương** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: NguynHQunh7

Password: gkfzrrsx

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Nguyễn Vũ Mai Khanh** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: NguynVMaiK

Password: qkyfhnpc

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Đàm Đức Khiêm** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: mcKhim

Password: zzrxwgzb

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Nguyễn Tống Kiệt** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: NguynTngKi

Password: rxqwvxdg

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Nguyễn Phi Long** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: NguyPhiLo580960

Password: ggmdqajf

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Trần Quý Lộc** your class is going to use Duolingo at school.
These are the instructions to get setup!

Username: TrnQuLc

Password: dkkukejz

If you are on a computer:

1. Go to www.duolingo.com
