Hi **Bùi Duy Anh** your class is going to use Duolingo at school.  
These are the instructions to get setup!

**Username:** BiDuyAnh5

**Password:** bytthdwj

### If you are on a computer:

1. Go to [www.duolingo.com](http://www.duolingo.com)
2. Click **Login**
3. Type in your username and password and click **Login**.

### If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Vũ Huy Anh** your class is going to use Duolingo at school.  
These are the instructions to get setup!

**Username:** VHuyAnh3

**Password:** hwwujydr

### If you are on a computer:

1. Go to [www.duolingo.com](http://www.duolingo.com)
2. Click **Login**
3. Type in your username and password and click **Login**.

### If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Nguyễn Thị Lan Anh** your class is going to use Duolingo at school.

These are the instructions to get setup!

**Username:** NguynThLan668385

**Password:** pfbqcjzj

### If you are on a computer:

1. Go to [www.duolingo.com](http://www.duolingo.com)
2. Click **Login**
3. Type in your username and password and click **Login**.

### If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Nguyễn Minh Anh** your class is going to use Duolingo at school.

These are the instructions to get setup!

**Username:** NguynMinhA561052

**Password:** qgjjuscv

### If you are on a computer:

1. Go to [www.duolingo.com](http://www.duolingo.com)
2. Click **Login**
3. Type in your username and password and click **Login**.

### If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Trương Ngọc Anh** your class is going to use Duolingo at school.

These are the instructions to get setup!

**Username:** TrngNgcAnh12

**Password:** hgydtcc

### If you are on a computer:

1. Go to [www.duolingo.com](http://www.duolingo.com)
2. Click **Login**
3. Type in your username and password and click **Login**.

### If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Trần Lê Tâm Anh** your class is going to use Duolingo at school.

These are the instructions to get setup!

**Username:** TrnLTmAnh

**Password:** dufrjcga

### If you are on a computer:

1. Go to [www.duolingo.com](http://www.duolingo.com)
2. Click **Login**
3. Type in your username and password and click **Login**.

### If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Nguyễn Gia Bảo** your class is going to use Duolingo at school.

These are the instructions to get setup!

**Username:** NguynGiaBo252762

**Password:** jyvyjwqg

### If you are on a computer:

1. Go to [www.duolingo.com](http://www.duolingo.com)
2. Click **Login**
3. Type in your username and password and click **Login**.

### If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Trần Quốc Bảo** your class is going to use Duolingo at school.

These are the instructions to get setup!

**Username:** TrnQucBo752908

**Password:** prxdyewz

### If you are on a computer:

1. Go to [www.duolingo.com](http://www.duolingo.com)
2. Click **Login**
3. Type in your username and password and click **Login**.

### If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Trương Thành Công** your class is going to use Duolingo at school.

These are the instructions to get setup!

**Username:** TrngThnhCn2

**Password:** xrujkqfz

### If you are on a computer:

1. Go to [www.duolingo.com](http://www.duolingo.com)
2. Click **Login**
3. Type in your username and password and click **Login**.

### If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Nguyễn Hoàng Dương** your class is going to use Duolingo at school.

These are the instructions to get setup!

**Username:** NguynHongD175108

**Password:** kzpzpmmu

### If you are on a computer:

1. Go to [www.duolingo.com](http://www.duolingo.com)
