Hi **Nguyễn Ngọc Ánh** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: NguynNgcnh845846

Password: sfhbmqps

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Trần Triệu Bằng** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: TrnTriuBng

Password: bxpjpbfr

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Nguyễn Thị Mỹ Dung** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: NguynThMDu279530

Password: dbyzzmjw

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Nguyễn Hoa Đà** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: NguynHoa602501

Password: wpdhnuux

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Phạm Bùi Hùng Đức** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: PhmBiHngc

Password: xgmqbyzd

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Dương Thị Thái Hà** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: DngThThiH

Password: qdcjffnw

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Lê Thị Thúy Hằng** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: LThThyHng18

Password: wuudnefj

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Trần Văn Lê Huân** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: TrnVnLHun

Password: qbnzjqwu

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Nguyễn Đăng Khoa** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: NguyngKho389167

Password: zrujbpmf

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Phạm Công Minh** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: PhmCngMinh7

Password: ywutqykc

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Bùi Tuấn Minh** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: BiTunMinh6

Password: fmvxwbcS

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Nguyễn Văn Nam** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: NguynVnNam406406

Password: jwemfrfw

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Hoàng Thị Nết** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: HongThNt

Password: mfbtxqtf

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Trương Ngọc Thanh Ngân** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: TrngNgcTha5

Password: kebnuuqy

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Trần Thảo Nguyễn** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: TrnThoNguy998395

Password: xfehctcx

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
2. Press **I Already Have An Account**
3. Type in your username and password and tap **Sign In**

Hi **Phan Lê Quang Nhân** your class is going to use Duolingo at school.

These are the instructions to get setup!

Username: PhanLQuang3

Password: pdfzxxqs

If you are on a computer:

1. Go to www.duolingo.com
2. Click **Login**
3. Type in your username and password and click **Login**.

If you are on a smartphone or tablet:

1. Download the **Duolingo** app and open it up
